ABOUT US

Agam is a student-run organization for “Anastomosing the Medical Students” beyond classrooms to build a community of future physicians for the upliftment of society.

We are committed to connecting our fellow medicos beyond the curriculum.

We at Agam, provide an extensive platform for learning, interacting, inspiring, and enriching ourselves to become dependable pillars of the future health care system.

*Divided by colleges,
united by Agam*

ABOUT ENDOCRINOWIZ

Medmaze Endocrinowiz marks Agam's third academic event, following the successes of Medmaze Gastrowiz & Cardiowiz.
